

|| COALITION FOR COMMUNITY SAFETY

*Are you interested in promoting safety for Virginians with disabilities living in the community?
dLCV invites you to join the Coalition for Community Safety!*

Our Mission

To promote community safety for people with disabilities through advocacy, education, and collaboration

Who We Are

The Coalition for Community Safety is comprised of individuals who are committed to improving the lives of people with disabilities living in the community in Virginia. These individuals include:

- People who have a disability
- Family members
- Community service providers
- Anyone else in the community with firsthand experience

Responsibilities

- Play an active role by attending and participating in Coalition meetings
- Gather input from community and industry members and share this input at Coalition meetings
- Lend subject-matter expertise to identify priorities, projects, and areas of interest
- Assist in identifying strategies and working towards implementation of goals
